Acupuncture

Aged

Ambulatory blood pressure monitoring
The effect of balneotherapy on ambulatory blood pressure.
Amiotrophic lateral sclerosis

Castor oil

Childbirth

Chiropractic

Colitis, ulcerative

Consciousness
Distant nonlocal awareness: a different kind of DNA. Dossey L. 2000;6(6):10-14,102-110

Corrections

Culture

Dental amalgam

Electrotherapy

Herbs

HIV

Holistic nursing
Regions Hospital opens holistic nursing unit. Horrigan B. 2000;6(4):92-93

Homeopathy
‘Call Docs’ in your living room: a wide range of services—even complementary medicine—comes home. Muscat M. 2000;6(6):96-97

Human Genome Project
Decoding the human genome: second thoughts. Dossey L. 2000;6(5):10-14,63

Hypertension
The mind/body link in essential hypertension: time for a new paradigm. Mann SJ. 2000;6(2):39-45

Hypnosis
Hypnosis: a window into the soul of healing. Dossey L. 2000;6(2):12-17,102-111

Indigenous healing

Intelligence

Interviews
David Lukoff, PhD: The importance of spirituality in mental health. Horrigan B. 2000;6(6):80-87
Ralph Snyderman, MD: CAM and the role of the academic health center. Horrigan B. 2000;6(5):86-93

Learning disorders

Massage
Massage therapy and therapeutic touch in children: state of the science. Ireland M, Olson M. 2000;6(5):54-63

Medicine
Reinventing medicine. Dossey L. 2000;6(3):125-126,128

Mercury poisoning

Mind-body
The mind/body continuum. Riley D. 2000;6(2):34

Movement

NCCAM reports
August NACCAM meeting: all roads lead toward rapid expansion. Muscat M. 2000;6(6):22-24

Nursing care

Nutrition

Osteoarthritis, knee

Randomized prospective double-blind placebo-controlled study of dextrose prolotherapy for knee osteoarthritis with or without ACL laxity. Reeves KD, Hassanein K. 2000;6(2):88-80

Osteopathic medicine

Patient satisfaction
Use of alternative treatments in Denmark: patterns of use and patients' experience with treatment effects. Launsø L. 2000;6(1):102-107

Pediatrics

Massage therapy and therapeutic touch in children: state of the science. Ireland M, Olson M. 2000;6(5):54-63

Placebos

Policy making

Prayer
Prayer and health outcomes in church members. Meisenhelder JB, Chandler EN. 2000;6(4):56-60

Psychology
Mind-body medicine and alternative therapies at Harvard: is this the reintroduction of psychology into general medical practice? Taylor E. 2000;6(6):32-34

Psychotherapy

Psychotropic drugs
Psychotropic medications from natural products: a review of promising research and recommendations. Lake J. 2000;6(3):36-60

Public policy
James Gordon selected to chair White House CAM policy commission. Muscat M. 2000;6(5):24-25

Qigong

Relaxation

Religion and medicine

Research
Factors that shape alternative medicine: the role of the alternative medicine research community. Eskinazi D, Muehsam D. 2000;6(1):49-53

Science

Spirituality
David Lukoff, PhD: The importance of spirituality in mental health. Harrigan B. 2000;6(6):80-87

Surgery
Surgery and complementary therapies: a review. Petry JJ. 2000;6(5):64-76

Tea
Green tea monograph. McKenna DJ, Hughes K, Jones K. 2000;6(3):61-84

Therapeutic touch
Massage therapy and therapeutic touch in children: state of the science. Ireland M, Olson M. 2000;6(5):54-63

Yoga
